Dear Parents

Re. Year 10 Ingredients for GCSE Food Preparation and Nutrition Lessons

Your child is about to start the second year of their GCSE Food Preparation and Nutrition lessons. I know that you will want them to make the most of, and enjoy this experience. We will endeavour to ensure all pupils have a practical lesson every other week. It is essential for your child's progress in GCSE Food Preparation and Nutrition that they are able to engage fully in these lessons.

We aim to provide all pupils with access to basic ingredients which will enable them to take part. For this we ask for a contribution of **£20.00** for the year to cover all of these costs. This, I hope you will agree, is good value and will help you as a parent, and support the occasional forgetfulness of pupils. I know as a parent myself sourcing ingredients at short notice can be frustrating.

The payment can either be made in full before the **28th September 2018** or in four instalments of £5.00 over the year.

I would still encourage pupils to bring with them any additional optional ingredients which are intended to enhance the recipe; pupils may also wish to bring more of the basics to make a larger portion.

Thank you for your continued support. We ask that the contribution is paid online via Parent Pay. If you require your log in details please contact Pupil Services.

If for any reason you have difficulty paying this amount please don't hesitate to contact me to discuss options.

Yours sincerely
