Dear Parents

Re: Diphtheria, Tetanus and Polio (DTP) and Meningitis ACWY vaccinations Year 9 pupils.

In line with government policy, the Wiltshire Community Health Services School Nursing Team will be visiting Sarum Academy to immunise pupils in Year 9 against Diphtheria, Tetanus and Polio, as well as Meningitis ACWY.

These two vaccinations will be administered to your child on the morning of **Friday 18th January 2019.**

Please use the electronic consent form below. You will find further information regarding the vaccinations when you access the portal.

You are able to scan the picture link above with your mobile.
