Dear Parent

Re: Key Stage 4 Examination Preparation Evening

Your child is now 12 months away from their final GCSE examinations. To ensure that they are fully prepared, formal mock exams have been scheduled for Term 6. We warmly request your attendance at our KS4 Examination Preparation Evening on **Thursday 7th June at 6pm**, where we will discuss how best to support your child through these important mock exams and their final year of school.

There will be an opportunity to meet with our Head of English, Maths, Science and History, with whom you will be able to clarify curriculum queries, and seek recommendations for revision guides. At the evening, they will also share key revision strategies and advice on exam technique in their respective subjects.

The exam season can be extremely demanding on both pupils' physical time and importantly their emotional wellbeing. Your attendance at the event helps your child to know that they have a strong support network around them during what can be a very challenging period; few things impact motivation as much as a parent's interest and involvement.

I very much look forward to meeting you again at the Academy, and would appreciate if you could complete the reply slip as soon as possible in order that we can prepare the right amount of refreshments, snacks and resources.

Yours sincerely

Mr M Birkett
Head of Upper School
