Dear Parent

Re: Key Stage 4 Information Evening - Understanding your child's GCSE's

As you know, your child has either just started out on their GCSE courses, or will be taking their final examinations at the end of this academic year. The KS4 evening is about ensuring you are in the best possible position to support your child throughout their studies so that they are able to excel and achieve the very best of results.

The landscape of GCSE's has changed significantly over the past year - the way in which grades are awarded and reported will look very different from the A*-G model many people are used to. During the evening, I will explain what these changes are, and what they mean for pupils.

The evening will begin at 6:30pm on Thursday 12 October 2017.

Please could you complete the reply slip below, and then return the slip to Pupil Services as soon as possible. I very much look forward to meeting you all.

Yours sincerely

Mr M Birkett
Head of Upper School
