

## ‘On the up!’

Can I start by thanking you all for your commitment to the Academy and for your efforts this Academic year in supporting your children in their education.

The last few months of the Academy have been busy, productive and rewarding; it is good to report pupils in all year groups this year have made more academic progress than in previous years and I look forward with anticipation to the GCSE and A Level results in August. Pupils, I am sure, will be rewarded with results in line with their efforts.

The exhibition is a showcase of the best work completed by pupils over the two years of their courses. We had everything from clay models, canvasses, paintings, wire birdcages and hanging skateboards and many other forms of media.

This year we ran the evening alongside Prize Giving which hopefully meant more of you got to see the work on display. I am very proud of the work our pupils have done over the length of their courses and to now be showcasing more and more work of our younger pupils is a credit to the creativity and effort they are putting in to their lessons.

We also used this as an opportunity for staff to choose their favourite pieces of art which we will display in their classrooms next academic year.

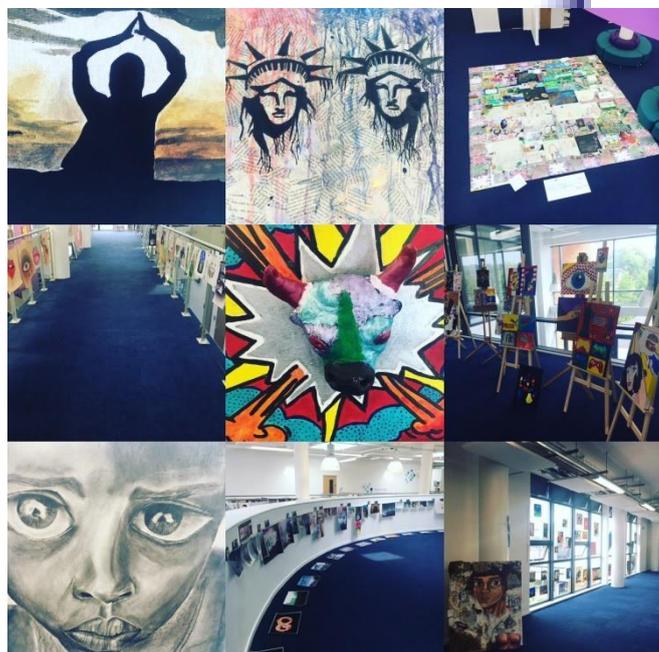

## £1000 Prize Winners

Another piece of art on display was our Community Art Project, a joint project completing an artistic map of our community, this was worked on by pupils from Manor Fields and Woodlands primary schools, all of our KS3 pupils and some community members from the Bemerton Heath Neighbourhood Centre. The map was a yearlong project which we were given £1000 to run. This enabled us to buy all the resources and pay for extra classes in the community, we then entered the final piece into the competition and we won an extra £1000 which will be used next year to support and reward pupils within the art department.

## Arts Exhibition

Last week we held our annual art exhibition. The work of our GCSE and A Level Art and Photography groups was all on display, as well as a selection of excellent work from Years 7,8 and 9 pupils. Our community art project and this year's photography competition winning entries were also on display.

## Photography Competition Winners

Thank you for all your entries. The winner was Mia Canning in Year 7, in 2<sup>nd</sup> place was

community member Louise Topp and in 3<sup>rd</sup> place staff member Gareth Jones. Thank you to all who entered and I will look forward to launching another competition next year.

Thank you to everyone who came to the exhibition and enjoyed the work of our pupils, it is one of the proudest nights of my teaching year being able to showcase the hard work and dedication of both the Arts team and the pupils. We look forward to seeing you next year.

## Sports Day – Record breaking

This year with the Rio Olympics in August, Sports Day had an Olympic theme. With our special guest - GB Athlete Kieran Showler Davis, the day started with a short opening ceremony. Pupils

had designed their own flags and banners for their Schools and paraded them through the hall. Pupils then spent the morning completing field events and being treated to a fantastic talk from Kieran on his own personal journey in becoming to a GB athlete.

After some notable long distance and field event performances in the morning the whole Academy (and for the first time parents) joined the pupils on the field for the main event in the afternoon. It was a terrific afternoon with over 20 Academy records being broken. Notable outstanding performances were from Jasmine Antonovic Fry (who broke two Academy records) and Jayden Stokes who beat the previous Year 8 record in the 200m by 4 seconds.

It was a delight to see so many children taking part and enjoying sport. At the end of the event Clarendon School were the overall winners with a clean sweep in every year group (apart from Year 10). We now look forward to next year's event with the all-important egg and spoon race for parents being added to the event list. Well done to all that took part.

## Semaphore

Year 7 pupils learning semaphore in Maths.

## Congratulations

Go out to Mark Pearce and soon to be wife Fiona Spence (some of you might remember Miss

Spence) and Tamsin Cotsell and soon to be husband Ryan Scott on their forthcoming wedding days. We wish you much happiness.

## Best wishes

It is always with much sadness that the end of term always brings the inevitable – that some staff move on, with a heavy heart.

Best wishes to Jonathan Plows, Kirsty Derrick, Rachel Allen, Jane Smith, Karen Colwill, Marie Hill and Andrew Milford. It has been a pleasure. We will miss you all. Keep in touch

## Welcome

I am thrilled to introduce some of our new teaching staff for September.

Mr Miller in History you might have already met  
Mr Burns in Maths  
Dr Turnock in Maths and Science  
Mr King in English

## Start of Term

The new Academic Term 1 begins on the Thursday 1<sup>st</sup> September 2016 with a training day for staff. We welcome all of our new Year 7 pupils and Year 12 pupils on the Friday 2<sup>nd</sup> September at 8.30am. All other year groups will begin on **Monday 5<sup>th</sup> September 2016 at 8.30am.**
