Prepare, Participate, Perform – 3Ps Celebration

Congratulations to the following pupils for their outstanding Commitment to Learning. It is great to see a 10% rise in pupils with average attitudinal grades 2 or better. Let's see if this can rise still further.

School Improvement Partner visit

This week we had a visit from our school improvement partner Mr Hooper (*all schools have them but ours is the best shhhhh*). This was his first formal visit and was incredibly complimentary about the work of the academy. He noted that lessons were 'quiet and purposeful' and that the quality of work in exercise books was of a good standard with pupils demonstrating pride in their work. He spoke with the Student Council and they were incredibly positive and complimentary and came up with some great ideas as usual – many thanks to them. They would also like to change the school uniform. So watch this space and let's see what they come up with. Next steps for us is a move from good to 'becoming great'. Let's do this together.

Year 12&13 Parents Evening – Thursday 10th November 4:00-7:00pm.

A reminder that the Year 12&13 Parents Evening is coming up. Book appointments now through our new online appointment system.

Year 11 Parents Evening – Thursday 17th November 4:00-7:00pm.

A reminder that the Year 11 Parents Evening is coming up. Book appointments now through our new online appointment system. If you are

planning to see the Christmas lights being switched on - book now for the early appointment slots.

Listening to parents – Online booking system

This year we have introduced an online booking system for parents evenings in order to make our parents evenings less congested at busy times. Don't worry if this is not how you prefer to do it you can still make appointments in the traditional way or just call Pupil Services or your child's tutor - they can make appointments for you on your behalf. Instructions for the new online booking system below.

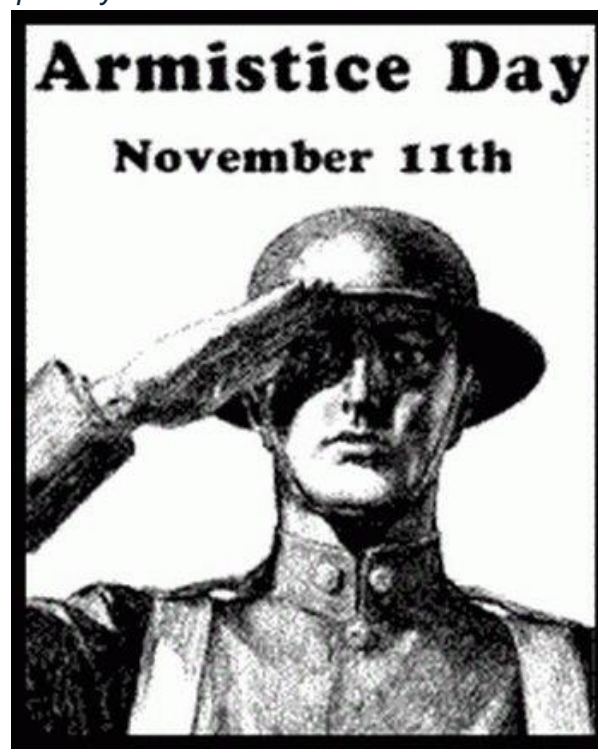

Go to:

<http://www.parents-booking.co.uk/sarumacademy>

You will need your child's name and date of birth.

Login to see which appointments are available and select one that is convenient for you and print off your appointments.

PLEASE NOTE: You need to type this address into your website browsers address bar. Do not try to Google this website address or use a search engine as that will not work. This is a common mistake on phones and tablets especially.

After School Programme – Term 2 – No reason to leave early!

Check out the programme for Term 2 on the school website and don't let everyone else have all the fun. There are also exam booster classes added in English and Maths for Year 11 pupils as promised.

Sports Report

Salisbury Schools Cross Country Race 3 – Race 3 saw the children from Sarum tackle the new Avon Course with its inflatable start and finish line! With a gruelling 3,200m in front of them all the children started strong and ran an impressive first lap. By the time the finish was insight all of the Sarum children had improved yet again on their final placing. They had all achieved a top 20 finish out of over 40 runners in each age group.

Special mention must be given to Dylan Antunovic-Fry who has improved by over 15 places in his three races so far and Brook Biunaiwai in Year 7 who finished sixth in her race. Speaking after the race Brook said *"I thought I could run fast, I am not really that tired!"*
